

# Common Metadata Repository Home

## General Information

General information about CMR is viewable on the [CMR Overview Page](#).

Information about the UMM and its relationship to CMR is accessible on the [Unified Metadata Model Information Page](#)

EOSDIS Client and Developer Information is available on the [EOSDIS Client and Developer Page](#)

The CMR Data Partner User Guide is available for reference.

The CMR Client Partner user guide and Client Developer API Documentation is accessible from the [CMR Client Documentation Page](#).

To participate in a collaborative environment where client developers, users, and CMR maintainers ask questions, make suggestions, and discuss related topics, visit the [CMR Client Developers Forum](#)

Attn Developers - Interested in building a client to the CMR? Visit the [CMR Developer Portal](#) to get started.
